

With **27+ years** of expertise in crafting home textiles, Urban Home brings global trends to your living spaces with a perfect balance of artistry and innovation. Serving **35+ countries** across **six continents**, we specialize in cushions, throws, rugs, and decorative textiles inspired by diverse cultural influences, from Scandinavian minimalism to rustic elegance.

Committed to sustainability, we ethically source natural fibers and adopt eco-friendly production practices, making every product a responsible choice for modern living. At Urban Home, we deliver textiles that not only beautify spaces but also embody quality, heritage, and care.

# Cushion

At Urban Home, our cushions are crafted to bring both comfort and character to your spaces. Soft to lean on and beautiful to look at, they add layers of coziness while elevating the mood of your interiors. Whether you want a pop of color, a touch of texture, or simply a snug companion, Urban Home cushions are designed to be those pieces of comfort that complete your home story.
